

# Shaving Foam Marbling!

*Shaving foam is a great sensory resource, and it's also great for creating art! This step by step tutorial will show you how to marble paper using shaving foam. You could use it to make cards, or frame it and put it on your wall. Once you've created your art work you can play with the shaving foam!*

## Shaving foam Marbled Paper

- Spray shaving foam into a pan/tray and smooth it out.
- Squirt food colouring or paint onto the shaving foam.
- Swirl around into a pattern you are happy with.
- Lay your paper on the shaving foam and gently pat it.
- Pull the paper off and lay it down shaving foam side up.
- Gently scrape the shaving foam off with a ruler and leave to dry.
